He had not only a golden voice but was also one of the biggest Lyricists with true gift for vocalizations ending lines whohas wohohoh yes wohohohoooooh now SEEN.. Nuff respect for all UniqueFM 98 1 Inspirational Sounds Axis Sound System Mikey Gemini Ras Dan -I UrbanVox and anyone who keeps reggae alive in the Bradford area.. Few if any artists continue to be so impressive enjoy this popularity all over the world and continue to do such a half-life after they have passed.

Over 0 of his best sounds from 1977 over 2 volumes I left his music early 70 to another - there are just too many great songs to choose from.. Apart from a few early songs that were recorded at Randy Studio in the heart of Kingston a lot of work done on repetition of the original Tuff Gong based on Marleys Uptown home at 56th Hope Road Some of these works have very first cases of drumming used in reggae and all are characterized by the highest musical and unconventional production methods that have made family versions highly appreciated by reggae collectors.. As a bassist for the choice of Bob Marley and Wailers from 1969 until Marley was early Barrett performed as Wailer main musician and conductor during the reggae.. What is less known however is that Family Man produced some of the challenging and experimental reggae in the 1970s and 80s and published some small-scale pieces of Jamaica on a number of short-term recordings.
